16611.jpg

I have this old photo labeled '16611.jpg' and I'm not quite sure what's in it. Can you identify what's in the image and then find me some quick and simple information about it on Wikipedia?

16611.jpg

Image  
cls.Wiki.  
searchImage  
cls.Wiki.  
search

```
{
  "id": 0, "name": "image classification",
  "args": {"image": "16611.jpg"}},
  {"id": 1, "name": "wikipedia simple search",
  "args": {"text": "<node-0>.text"}}
}
```

JSON

```
def solve():
    output0 = image_classification(image="16611.jpg")
    output1 = wikipedia_simple_search(text=f"{output0['text']}")
    result = {0: output0, 1: output1}
    return result
```
